

# Maverick Region PCA Concours program

## Background

In an effort to bring back judged car shows back to the region, in 2018 we held 4 car shows. 2 Top down show and shine judged shows and 2 People's Choice shows. In 2019 we plan to have the same schedule. A spring and fall concours that is a Show and Shine and then a summer and winter People's Choice show.

Our plan is to eventually make the Show and Shine shows a little more detailed and more like a concours event in the future. As we know there are members that would like to have a Parade type concours at the region level. Below are details regarding each type of show and the criteria for judging.

## Show and Shine

The Maverick Region Show and Shine's are technically a clean car show. Judges will look at the cars interior and exterior and judging will be based on cleanliness and condition only. Originality will not be judged. In addition the engine compartment will not be judged. However the trunk and storage compartments will be judged. Judging is based on a 100-point scale for interior and exterior. A 1-10 value will be available for each category. Maximum points for interior is 100 and maximum for exterior 100. We also present a President's Choice Award selected by the President of the Maverick Region

We will have various classes and a 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> place award will be given in each class provided enough cars are entered into each class.

## People's Choice

A People's Choice car show is just that. Cars entered into the show are judged by the public. There are no classes and total votes are tabulated and awards given to the top 10 cars by votes. We also present a President's Choice award as well.

If you have any questions please email or call me at [concours@mavpca.org](mailto:concours@mavpca.org) or 801-230-1482.

Thanks.

Mike Mahoney
